IMPORTANT POINTS

We kindly ask you to keep the following in mind when staying at this hotel.

- ◆ There are many other customers staying in the hotel. In order to avoid disturbances and help ensure a safe living environment for everyone, there are several rules in place such as not yelling out loud, making loud noises, and restrictions on the use of shared areas/items. No parties are allowed in each room.
- ◆ We do not allow guests including buddies, friends, and family members to visit your rooms nor stay overnight.
- ◆ Please keep the communal areas clear of personal belongings and garbage, and keep them clean and orderly.
- ◆ If there are any noticeable damages or stains found in your room after check-out, you will be asked to pay for those repair or cleaning that may be necessary.
- ◆ The hotel is unable to receive mail or parcels. In case of emergency, Ritsumeikan University Study Abroad Center will be able to receive them, but first please consult with one of the Study Abroad Center staffs in advance.
- ◆ Due to our regulation and safety reasons, you may not change your room with other participants. You are not also allowed to change your accommodation during the program period.
- ◆ In the case you are infected with COVID-19, you will be asked to follow instructions given by the Study Abroad Center.
